1 Each two-hour session includes two lectures of 50' each, followed by two breaks of 10' for questions. For each session, on-line students are kindly asked to connect 5 minutes ahead of time for avoiding delays.

2 On Monday 7, schedule starts at 9.45, for a Welcome and Introduction to the School.

3 Each student is invited to give a two-minute talk to present himself and his scientific interests.

4 Free discussion time between students and teachers, concerning previous lectures; duration depends on number of questions.

5 On Friday 18 the discussion session will take place at 12.00, just after the last lecture.
